SUMMARY

Detail-oriented Full-Stack Developer with hands-on experience building scalable web applications using React, Node.js, and modern JavaScript frameworks. Completed a 6-month internship at a property agency, contributing to web development, creative design, and data management. Proficient in both frontend and backend development with strong skills in database design, API development, and interactive UI/UX. Passionate about creating high-quality, user-centric digital experiences.

EXPERIENCE

Creative Design Intern
May 2025 – Nov 2025

GadingPro Property Agency · Tangerang, Indonesia

- Developed and maintained the company's full-stack property management portal using React and Node.js
- Designed high-impact visual content for Instagram feeds and social media marketing campaigns
- Managed and organized property agent data across spreadsheets for operational efficiency
- Collaborated with the marketing team to create compelling property listing materials
